Why take an Adviks franchisee?

Good quality education is a major requirement for people today. There are many students who wish to enroll in universities abroad. The admission into a large number of institutes in Canada, Australia, USA, Europe that offer higher education is based on exams (IELTS/PTE/ GMAT/GRE/SAT/) in which lakhs of students compete with each other. Students / applicants have to appear for these exams and score well to increase the admission chances into a good university and secure scholarships.

Students look for good training institutes through which they can prepare for these exams and can get counseling on the same. Our classroom courses give an edge to students as they are available online as well as live. Our vast experience, a large number of courses and quality of service has made Adviks one of the most reputed institutes in Noida for study abroad training. We are looking for Franchisees at different locations in the country to impart quality training to students. The Franchisees will essentially be entrepreneurs running the coaching activity as their own venture. They will operate under the guidance of Adviks. - using Adviks brand name, Adviks material and the expertise developed by Adviks over a period of 20 years.
